College of Southern Nevada General Education   January 2020 - July 2020
-obtained 24 credit units towards Associate degree

Fuquay-Varina High School
-Obtained High School diploma

PROJECTS

Vegas Land

A curated website that promotes and highlights downtown and local businesses.

-used React.js and Express.js to build the front and back end of the user interface

-used postgreSQL to create a database for the entire project

-used Google API to display active happy hours in the downtown area

Jellow App

Recreated Trello, a web-based Kanban-style list-making application.

EMPLOYMENT
